Our Prayer

Dear Heavenly God,
We thank and praise you for the young men and women who have trusted in you.
May they continue to grow in knowledge of the Lord and spread His Word, trusting that his grace is sufficient for all their needs.
Protect them, we pray, from the temptations of the world and the wiles of the enemy that lead them astray.
Give them grace and wisdom as they face the challenges of life. Keep them humble at heart and seeking in spirit.
Bless them with fortitude and a noble vision so that they may turn out to be the harbingers of peace and harmony in this strife-torn world.

हमारा गीत

राहे अपनी बना लेंगे
मंजिल अपनी पालेंगे
हम बच्चे न्यू एरा के आगे बढ़ते जाएँगे २
पग-पग पर हो जीत हमारी,
विजय विश्व की हो तैयारी,
श्रम अनुशासन कर्तओ से,
आसमा टूटके दिखाएंगे,
हम बच्चे न्यू एरा के आगे बढ़ते जाएँगे
चाँद को छूना लक्ष्य हमारा,
सत्य अहिंसा धर्म हमारा,
सेवा आशिष से गुरुजन के,
कदम से कदम बढ़ाएंगे,
हम बच्चे न्यू एरा के आगे बढ़ते जाएँगे
नाम करेगे रोशन हम
माता-पिता गुरुजन का जग में
आदर्श उनके ही अपनाकर
जीवन जीना सीख जाएँगे
हम बच्चे न्यू एरा के आगे बढ़ते जाएँगे

न चौर हार्यम न च राज हार्यम,
न भ्रात्रभाज्यम न च भारकारी ।
व्यये कृते वर्धते नित्यं,
विधा धनं सर्वधनं प्रधानम् ॥

AN OUTSTANDING SCHOOL

New Era Global School is built on principals of academic excellence, sporting prowess, artistic achievement and community service. While preserving the best traditions from the past, we are a forward-looking school, committed to ensuring that students acquire the life skills and confidence they need to thrive in today's world.

As an academy we aim to offer the best possible education through a stimulating curriculum, a wealth of opportunities beyond the classroom and strong pastoral support.

Important though academic success is, it is just one aspect of life at NEGS. We want our students not only to fulfil their academic potential but also to develop their talents for the creative arts, sport and leadership.

This mission is underpinned by the values of NEGS — Opportunity, Learning, Creativity, Achievement, Respect, Integrity, Community, Challenge and Enjoyment.

I hope this prospectus will give you a flavour of our enthusiasm for learning, our community spirit and our commitment to become an even better school.

"A sense of pride and ambition permeates in all aspects of the school's work, and underpins its determination to improve further."

Executive Director,
New Era Global School

Dear Friends

Greetings from New Era Global School

'Reflections' is a revisit of what the School has been through the year 2019 — 2020. I wish to congratulate the editorial team, students and teachers who contributed and compiled it. The records and glimpses are just a few pointers towards the objective and goal of the School — 'Human Development'.

Education, I believe, is more than a mere mark sheet with good grades or a few accolades and trophies; it is a process of nurturing and nudging the children of the future toward their creative potentials, i.e. participation in the creative capacity of the nature and universe.

Every Child who comes into our portals is unique and we strongly believe in it. Students possess tremendous potentials in a variety of ways and dimensions. And, therefore, we believe, a 'one-size-fits-all' approach will be a poor strategy and will fall short of achieving the objective and the goal of education. Here, the role of educational managers, administrators and teachers is of paramount importance, esp. in the designing of a worthy curriculum. More than ever, in a milieu of ever-changing society, a teacher's role and contribution can never be undervalued and discounted. They need to be the 'best minds' of a society. A focused fraternity united in its purpose can only achieve this noble goal.

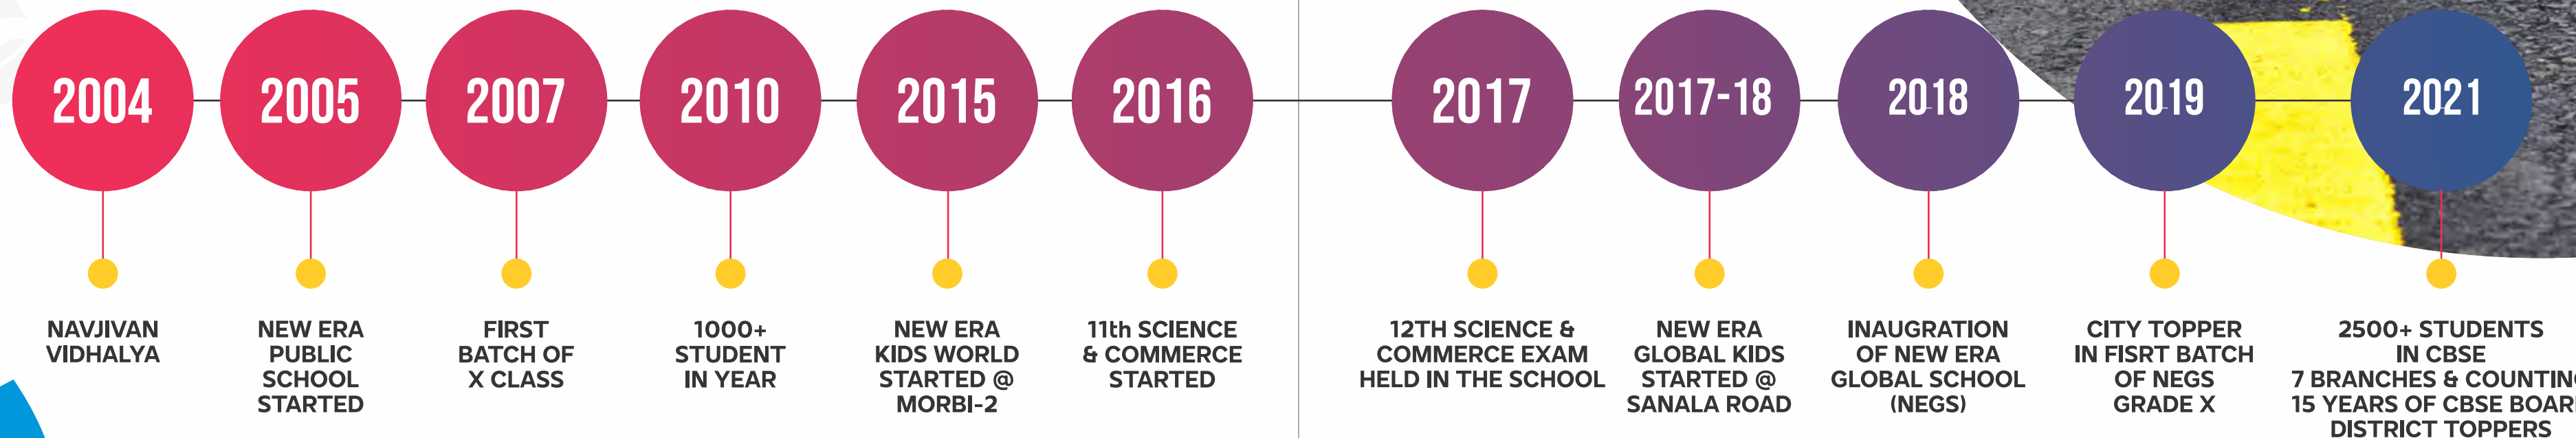

The Society, at large, too, must chip in to support and supplement the institution in this endeavor using its spiritual, technological and scientific expertise and advancements. Thus, the institution becomes connected to and relevant to the Society — a contributor to its well being, prosperity and progress.

New Era Global School has and is taking bold steps in this direction by offering numerous options and opportunities, and I wish to congratulate all its stakeholders.

Wishing you a grand success,

POOJA PALADIYA

LET'S TAKE A LOOK AT OUR JOURNEY

EDITORIAL BOARD

It gives me immense pleasure at the release of our new issue of 'Reflection 2019-20' which reflects the various colours of our NEGS' youth. We are at a juncture where we have to accept that our future depends on our youth. The power of youth is the common wealth of the entire world and so we need to protect and nurture them. The world demands the qualities of youth: not a time of life but a state of mind; a temper of the will, a quality of imagination, a predominance of courage over timidity and an appetite for adventure over the love of ease. Youth, after all, are not just adults in-the-making; they are people whose current needs, rights and experiences will lead them to mature adults. It's high time we realize that in order to make the youth prosper we need to praise them; they need role models not critics.

This magazine serves as a year book for the students, teachers, parents and all those associated directly or indirectly with the school. It is graced with the encouraging words of our Director and Principal. One can get a complete list of activities organized in our school for the overall development of the students: from academics to games and sports, and from art and craft to science and technology. Each one will feel nostalgic going through these pages. Poems, articles, write-ups, etc from students as well as teachers are sincere in nature. Reflection 2019-20 became possible with the blessings of God, Almighty who kept us safe from all unforeseen calamities. I would like to express my heartfelt gratitude to our Director, Hardik Padaliya and Principal, M S Sebastian, who entrusted us the responsibility of this issue.

There were other supporting and significant members as well. The Editorial Team, who stood for the causes meticulously, need to be congratulated for their efforts. I would like to appreciate the kind gesture of Mr Munesh Sharma in editing the Hindi section. Good care has been taken to get good result, but there may be certain unintended flaws which I hope would be forgiven. May you enjoy reading "Reflection 2019-20"?

श्लोक उपाध्याय - कक्षा 8 'अ'

वसंत ऋतु

बसंत ऋतु जब आती है,
कोयल कू-कू करती है।
धरती सारी सज जाती है,
खुशियों का माहौल कर जाती है,
बसंत ऋतु जब आती है।
पशु-पक्षी सब होते खुश,
फूल-पौधे भी रंग दिखाते,
पीली सरसों खेल जाती है,
आम पर मंजरी छा जाती है,
बसंत ऋतु जब आती है।

जिंदगी

लौट जाती हूँ वापस घर की तरफ हर रोज थकी हारी,
आज तक समझ नहीं आया,
कि काम करने के लिए जीती हूँ,
या जीने के लिए काम करती हूँ।
बचपन में सबका बार-बार पूछा गया सवाल,
बड़े होकर क्या बनना है?
जवाब अब मिला,
फिर से बच्चे बनना है।
थक गई हूँ तेरी नौकरी से ए जिंदगी,
मुनासिब होगा मेरा हिसाब कर दे,
दोस्तों से बिछड़कर ये हकीकत सुनी,
बेशक कमीने थे, पर रौनक उन्हीं से थी।
भरी जेब से दुनिया की पहचान करवाई,
और खाली जेब से अपनों की।
कि शौक तो माँ-बाप के पैसों से पूरे होते हैं,
अपने पैसों से बस जरूरतें ही पूरी होती हैं,
हँसने का दिल न हो तो भी हँसना पड़ता है,
कोई जब पूछे कैसी हो?
मजे में हूँ कहना पड़ता है।

Hello

I am very glad to give you my feedback regarding the extracurricular activities and academic performance of NEGS

All the teachers are teaching very nicely and they are giving their maximum efforts so that the children can learn properly through online education system.

Whenever I have given suggestions regarding teaching the school management has always supported.

The way the school celebrates various events is unique and it also gives a chance to the students to come up with great ideas.

In each and every activity the school is giving the best to the students..

I have noticed that in the beginning of every lecture the teachers make the students recite the prayers and also national anthem also.

So I can say that the school is giving the best opportunity to the students for over all development..

If I say about extracurricular activities

NEGS is giving a very nice platform to the students to bring out their hidden talent..

I would like to give only one suggestion and that is the school should try to develop communication skills of the students...

Over all I really appreciate the performance of NEGS and I'm really happy with the school as my son is getting such a good platform of development in our city Morbi.

WHY I CHOOSE NEGS FOR MY CHILDREN?

- *Learning is based on Concept clarification
- *Innovative teaching methods are implemented in class and give clear vision to child through real life examples.
- *The key point i like about this institute is different difficulty level material given to different level of students to improve their performance by providing enough material and extra videos.
- *Even though virtual teaching during this pandemic time, institute finished full syllabus with detailed explanation and giving practice to children in various aspects like poster making, quiz etc.
- *Teachers are always ready to solve student's queries and encourage betterment of them.
- *Not only in academic field but institute is also encourage child to participate in different activities to enhance their grooming and learn moral values.

Thanks

Hello

Respected Teachers,

I Pratheesh S Pokkali, Parent of Hirav P Pokkali who is studying in Class 5B of New Era Global School, would like to appreciate the efforts taken by the teachers of the school to start giving online classes at this difficult time of Lockdown. I would like to thank the entire school faculty for putting in so much effort for us during these hard times. The school has been off but our learning hasn't, all thanks to the teacher. We feel very proud that our child got admission in such an innovative & disciplined school under the supervision of knowledgeable teachers.

We all know it's not possible for children to attend the classes at this time which could result in loss of their studies. But I am really happy by the steps taken by your school to continue providing online classes so that even in this time children can still learn new things and their time is not completely wasted. Even my son is taking lot of interest in assignments given by you and putting a lot of efforts to complete it.

It was a very enlightening experience for the students since the video was made after taking in consideration that it is to educate the students so extra measures were taken to make it more easy and simple for them to understand and learn.

Now, started online extra- curricular activities competition like Drawing, Music etc...

Also, with the academic syllabus mostly all subjects' portions were completed and in SS subject all lesions completed & revision started for the final exam. School administration got full track & 100% dedication on their commitment.

Kudos to the teachers who are managing both their personal & professional life in such a crisis situation. It's highly appreciated and a huge applauds to the teachers.

So thank u for the efforts taken by you in encouraging children to learn new things even while staying at home and taking measures for their bright future.

Thank you very much Once again!!!

Regards
